RESTAURANT TRANSFER €95,000 If what you are looking for is to open a hospitality business with a small investment and start making a profit from day one, I HAVE YOUR BUSINESS! Local located in the best area of ■■Mijas town, where the passage of people is constant, both tourists and locals and surrounded by shops and businesses with a high level and with great taste. Well, right in this idyllic place due to its nature and its donkey rides we have a restaurant that currently serves Italian cuisine, operating both day and night. The restaurant is distributed in an interior room with 13 tables and views of the street where we have good air conditioning and which leads to an interior patio where we can also put a few more tables and an exterior terrace on the street where we currently have 12 tables, all enlivened by its majestic bar where we have a pizza maker. This place has approximately…
