VILLA IN ESTEPONA

The Heights of La Resina Golf is "Taking Luxury Living to New Heights". Relaxation starts from the moment you arrive home. Formed from the core elements of wood, glass and trees, your very own light and spacious zen garden welcomes you to your own tranquil haven. The breathtaking natural environment comes together with the elegance of contemporary architecture and décor, achieving the perfect balance between design, comfort and respect for nature and its surroundings. The Heights offers light airy interiors throughout all their homes. Each villa has been designed to flow seamlessly throughout their open plan living space, with floor to ceiling windows to blend the outside living spaces into your interior. Natural light will flood every corner of your home with the creative use of glass walls and room dividers. Every unique detail has been designed to make your home a piece of ...
