LA CALA GOLF

bedrooms <⁻⁻⁻ bathrooms

plot m² 1,402

LAND IN LA CALA GOLF

This superb building plot includes the Town Hall ready project and offers the most outstanding panoroamic sea and mountain views. The 2 next door plots have already been sold and the plot backs onto a greenbelt meaning that nobody can build infront and in any way obstruct the wonderful views. The plot of 1.401m2 is located near the clubhouse, with services of: electricity, telephone, water, sewerage, and 24 hour on site security. Current building regulations allow you to build your detached villa of 265 m2 + uncovered terraces, pool and basement Orientation : East, South East, South. Maximum height: 7m allowing 2 floors plus basement area, garage and swimming pool The La Cala Resort is a golf complex in the municipality of Mijas and in the province of Málaga. It includes three 18-hole golf courses (Campo América, Campo Asia and Campo Europa), a 6-hole par 3 pitch & putt course an...
