## VILLA IN GUADALMINA BAJA

The house is arranged across three levels and has a large private swimming pool and citrus grove within the grounds of the property. There are both formal and casual sitting rooms, and a separate large formal dining room. The kitchen is fully fitted with modern, top-end equipment, designed in a traditional style around an open fireplace, and alongside a pantry. There are six bedrooms and six bathrooms in total; and four of the double bedroom suites are located on the first floor. There is a newly installed and fully equipped gymnasium as well as a games room with snooker and pool tables, and a bar area. There is off street parking both on a driveway and under cover for multiple cars. The house is superlatively appointed in one of the best locations in Marbella.
