## COMMERCIAL IN FUENGIROLA

If you want to start your own company as a physiotherapist in Spain, this is your opportunity! The Scandinavian physiotherapy clinic Clinica Physiospain is now for sale due to the retirement of the owner. Rolf Martinsen started Clinica Physiospain over 30 years ago and has built the clinic into one of the leading ones on the entire Costa del Sol. Clinica Physiospain also has an agreement with Sweden which means that people with residence in Sweden can have the cost of care paid via the health care system. Also Norwegians with residence in Norway are reimbursed the cost of care according to current HELFO regulations. Due to the owner's upcoming retirement, he is now selling both the premises and the business itself. Clinica Physiospain has an excellent location in the popular town of Fuengirola which is the center of the Scandinavian population on the Costa del Sol. It is located o...
