VILLA IN LOS FLAMINGOS

This beautiful villa has 580 m² of constructed area and sits on a plot of 1700 m². The house consists of several levels. Upon entering the villa, we have a first bedroom with an ensuite bathroom on this same level. Ground floor: We go down to the living – dining room and kitchen area with direct exit to the garden from all these spaces. On this same floor, there is a bedroom with ensuite bathroom with direct access to the garden. It is worth highlighting the double-height ceiling in the living room area, creating very interesting volumes that provide elegance and modernity to the Villa. First floor: On this floor is the large master bedroom, with an ensuite bathroom with access to a small terrace and a large adjoining room that can be used as an impressive dressing room. On this floor, there is the possibility of creating a lounge as an anteroom to the bedroom with access to a large ter...
