PENTHOUSE IN HACIENDA DEL SOL

Beautiful and bright penthouse apartment located less than 200 meters from the beach in the popular Hacienda del Sol complex. This particular penthouse stands out for its luminousness as it has windows that floods the living and kitchen area coming in from 3 directions. The penthouse has all the living accommodation on one floor plus a huge solarium terrace on the upper floor. The solarium terrace is further divided in different parts, one for Barbequeing, one for lounging, one for sunbathing, and one perfect for putting in a jacuzzi or plunge pool. Perfect for basking in that Mediterranean sunshine the area is so famous for! Living accommodation consists of hallway, living room with a cozy fireplace, dining room, semi-open kitchen with adjacent utility room, master bedroom with en-suite bathroom, two guest bedrooms sharing a bathroom, guest toilet. There is also a large terrace with exit...
