VILLA IN MIJAS

Welcome to your dream equestrian property! Nestled next to a serene dry riverbed, this stunning farm offers the perfect blend of luxury living and equestrian paradise. With two charming houses and ample stables spanning 752m2, this property is a haven for horse enthusiasts. Situated on a sprawling 70,000 square meters of land, there's no shortage of space for your equine companions to roam and thrive. Imagine waking up to the tranquil sound of nature, stepping outside to enjoy leisurely walks along the riverside trails with your horses. The main residence exudes rustic elegance, featuring spacious living areas, cozy fireplaces, and picturesque views of the surrounding countryside. The second house offers additional accommodation options, perfect for guests or staff. For horse lovers, the stables are a true masterpiece, meticulously designed with the comfort and well-being of you...
