LAND IN LAS LAGUNAS

Developable plot next to the city with southeast orientation, ideal for multi-story building projects. Located in a strategic area, the plot benefits from its proximity to schools and essential services, providing comfort and accessibility for future residents. The southeast orientation ensures abundant natural light, optimizing the design and energy efficiency of the buildings. This property offers an excellent opportunity for developers interested in creating an attractive and functional residential environment, in a location that balances the tranquility of peripheral areas with the convenience of being close to the urban core. Building Plot, Close to Town, Facing: Southeast Features: Close to schools
