VILLA IN SIERRA BLANCA

A very elegant villa in Sierra Blanca on a generous plot with fabulous elevated sea views, with a large potential for reform and renovation to add extra value. Located in one of the best avenues within Sierra Blanca, this Marbella villa has a sweeping driveway which leads to an entrance fit for a king! Enter this home through the front door and an incredible double height ceiling with an impressive tower is the first thing that is seen, giving the sense of height, space and grandeur from the very outset. Villa located in Sierra Blanca Urbanization 10 minutes from the center of Marbella and its beaches. Property with great privacy, no road noise and wonderful open views of the sea and the mountains from all floors (including ground floor and pool). Built in 2003, it consists of two floors plus a basement with a total constructed area of ■■1164.13 m², 226 m² of terraces and porches and a ...
