COMMERCIAL IN FUENGIROLA

This charming restaurant, located near the beach and facing southeast, offers a unique dining experience overlooking the garden, the beach, the harbor, and the square. Recently refurbished and in good condition, this establishment is ready to operate and receive clients in an exclusive environment. The restaurant has a design that takes full advantage of its privileged location. The glazed terrace and the covered terrace provide versatile spaces to enjoy the partial sea views and the outdoor ambiance. In addition, the private terrace and sun terraces allow diners to enjoy the Mediterranean climate in a relaxing environment. Notable features of the restaurant include hot/cold air conditioning, ensuring a comfortable environment all year round, and pre-installation for an alarm that provides an additional level of security. The property also has a large storage room and a basement, offeri...
