Lifestyle Opportunity, Long Established Licensed Dog Kennels and Cattery with Lovely 2 Bedroom House and Swimming Pool Between Malaga Airport and Marbella. Licensed by the Junta de Andalucía, these well-known kennels and cattery were established in the late 1980's and have a top reputation in the area and are always busy with many long term regular clients returning their pets time and again, some booking up to a year in advance to avoid disappointment. The business and the house are two completely separate areas and have both been well maintained and are in excellent condition. There is customer parking and an attractive reception area leading to the kennels. There is a checking in desk with kitchen area having washing machine and dryer, there is a grooming table and pet shower which although are not currently utilised, could be offered as an additional service to custome...
