LAND IN MIJAS

Plot for sale in El Hornillo, Mijas: Great location with optimal building opportunity This plot offers a unique opportunity for development in an attractive area of Mijas. The size of the plot with the pavement is 811 m². This means that the size of the plot that can be built on is 682 m². A two-storey house can be built with up to 170.50 m² per floor, an additional garage for two cars and pergola terraces, which do not count towards the development. There is also ample space for a pool. Furthermore, the existing slope can be utilised to create an extended garage and a spacious basement, providing extra space without affecting building requirements. This plot is a great investment for those looking to build a spacious, modern home with excellent facilities in an urban location. The flexibility of the pavement alignments and validated plot size ensure that development potential is ma...
