APARTMENT IN BENALMADENA COSTA

Beautiful apartment in the marina of Benalmadena, a unique location! This house was completely renovated a year ago and everything is new; the windows, the floors, the doors, the electricity, the kitchen, the bathroom, the bedroom furniture, the electric awnings and the air conditioning. This beautiful house offers a mix of luxury, comfort and convenience. The living room extends into the balcony, creating a large living space with a great view of the lively harbor but from a quiet setting. The open kitchen forms a beautiful harmony with the living space. The 2 bedrooms share a bathroom. Without a doubt the most beautiful house in the marina.
