LAND IN BENAHAVÍS

Buy now...build later. Buy at todays price and wait for the capital gains. A chance to get a valuable piece of land at an early bird price. Rustic Plot (in step 'Avance' and approved waiting for the 'Aprobacion Initial) on the border between Estepona and Benahavis (Benahavis municipality). A good chance for an investor to secure what will become a valuable piece of land located on a sloping hill with south-east orientation and sea views. The land will be updated to fully urban and in this case can be utilised either for villas or apartments. A good chance for an investor to secure what will become a valuable piece of land located on a sloping hill with south-east orientation and sea views. The land will be updated to fully urban and in this case can be utilised either for villas or apartments. Close to two very successful residential complexes, this area is very much appreciat...
