VILLA IN NUEVA ANDALUCÍA

Atalaya de Rio Verde, Nueva Andalucia Modern loft-style villa near Puerto Banus This outstanding villa is located in the beautiful Atalaya de Rio Verde, a hidden gem of Marbella just a few minutes from Puerto Banus. The property has been completely renovated and re-imagined into a New York loft-style, and effortlessly combines traditional and modern characteristics. Nestled on a large plot of 3272M2, the south-facing villa of 1.290M2 is spread over 3 floors, and offers 10 bedrooms and 10 bathrooms. One of its key features is the sheer size and generosity of the main open plan living areas. In this respect it resembles more a boutique hotel rather than a private villa! Indeed, this is one of the possibilities with this villa! The lounge and dining area is a vast double height room that contains several seating areas, a piano, parquet flooring and numerous floor-to-ceiling French windows...
