VILLA IN RÍO REAL

Most people would buy this villa just for the view to Africa and Gibraltar. The building is built in German solid style with high standard, modern techniques and home appliances. Villa Fantastica is south facing having sunshine all day long. Next to the main entrance you find the guest toilet and walking up a small stair you enter the living room with a new open plan kitchen and extra TV relax room to the right, all access to the huge terrace and all with the stunning sea view. One step up is the very exceptional master bed room with bath on suite and walk-in wardrobes and of course the outstanding sea view over a further terrace.
