APARTMENT IN MARBESA

2 Beachside Studios with Panoramic Sea Views in Edificio Coronado, Marbesa Located just steps from the beach in the sought-after area of Marbesa, these two adjoining studios in Edificio Coronado present an excellent investment opportunity. Each studio offers 46m² of living space with the same practical layout, featuring a spacious living area, a fully fitted kitchen, a bathroom, and a 4m² private terrace with spectacular panoramic sea views. Situated on the 6th floor, both properties enjoy abundant natural light and unbeatable vistas over the Mediterranean. The studios can be purchased individually €230,000 or together at a discounted price (offers welcome), offering flexible options for buyers. Combined, they provide the unique possibility of being converted into a larger apartment, or they can be kept separate as profitable holiday rentals or private holiday homes. While the properti...
