VILLA IN RÍO REAL

This extraordinary detached villa in Río Real, Marbella, offers a rare blend of classic Andalusian elegance and exceptional potential for modern transformation. Set atop a private hill, it enjoys uninterrupted views of the Mediterranean Sea, lush golf courses, and rolling green valleys—creating a serene yet captivating backdrop. With a vast plot of 5,775 m² and 2,600 m² of built space, the estate presents an outstanding lifestyle opportunity for discerning buyers seeking privacy, luxury, and architectural versatility. The property currently features ten bedrooms and ten bathrooms arranged within a timeless layout, complemented by multiple lounges, expansive terraces, and a pavilion ideal for wellness, entertaining, or a retreat-style bar. The main house includes a traditional central patio with a fountain, generous living and dining areas, and suites with direct access to the terraces ...
