## ■■■■■■■■ IN MIJAS

A unique opportunity has arisen to purchase one of the last desirable building plots on the Costa del Sol. The land, conveniently located in the heart of the Mijas triangle, has a total of almost 6.000m<sup>2</sup>, with the possibility to build 11 villas offering stunning south, southwest and southeast views from practically every planned property. The entire project has been approved by both the Junta de Andalucía and Mijas town hall
