Located next to the Manilva River and just a short walk from the famous Baños de la Hedionda, this stunning estate offers a peaceful retreat surrounded by nature. Just five minutes from the coast of Casares and Manilva, with easy access from the AP7 and A7, it is the perfect place for those seeking tranquility without giving up comfort. The estate features a traditional-style villa on a single level, with five spacious bedrooms, four of them en suite, a guest toilet, a charming rustic kitchen of 20m² with wooden furniture, and a spectacular 60m² living room with high vaulted ceilings, a fireplace, and large windows that fill the space with natural light. Additionally, there is a 50 m² annex building with two floors and an independent entrance, ideal as a guest house or staff accommodation. Outside, the southwest-facing front porch includes a partially covered pergola, creating the perfe...
