■■■■■ IN MIJAS

Fantastic detached house situated in Mijas Costa, with private garden and swimming pool, in a residential area where we can enjoy a great tranquility. The property consists of an entrance courtyard from which we access to the house, upon entering we find the hall, large size from which we access the living room with fireplace, fully fitted kitchen with dining area and fireplace / barbecue. From the kitchen and the living room we can access to a large porch with a large summer dining area and hammock area with views to the garden and the swimming pool. In the pool area there is a covered barbecue with a bar. On the main floor, apart from the living room and the kitchen, we have 3 bedrooms and two complete bathrooms. On the first floor is the master bedroom, large in size with an en suite bathroom with shower and bathtub, on this floor we also have an office, the whole floor has underflo...
