■■■■■■■■ IN BENAHA VÍS

A wonderful opportunity....here is a plot of land with great potential. An in depth assessment of the project and build have been carried out and there is a lot of information to be shared with an interested party. Please note: the plans included here are simply an idea. There is no project on this plot. El Real de la Quinta goes from strength to strength and a plot like this one is a diamond with a huge potential. Up to 4 levels can be built on each plot, and a building license can be secured from the Benahavís municipality in as little as 3 months, streamlining the development process. For any interested person or developer, get in touch to find out more about the possibility of building alongside 2 other owners on this location, who have already made significant in-roads into the preparations. Super west facing plot within the area of El Real de la Quinta. This plot is flat and is ...
