■■■■■■■■■■ IN CALAHONDA

This apartment has some of the best views in the whole of Calahonda. From its south west corner this apartment enjoys lots of warmth and sunlight in the autumn and winter months with the lower sun and with its covered terrace area one can also really enjoy the hottest months of summer in the comfort of the shade. Being a corner property it benefits from extra light and windows. The owner has cleverly incorporated a Harvia Finnish sauna onto the covered terrace. The complex itself has three communal pools, and each property comes with a private lockable storeroom and also an extra large parking space big enough for two cars. The modern open kitchen has a large granite worktop allowing communication with the living area. We strongly recommend a viewing.
