## ■■■■■■■■■■■■ IN RIVIERA DEL SOL

This new home of yours is simply uncluttered and with wonderful views of the Mediterranean, located between Marbella and Malaga, on the Riviera del Sol! The apartment, among others in this condominium, has the largest L-shaped living room, with perfectly defined and spacious living and dining spaces. It is also one of the few that has three large windows in the living room and two bedrooms that open directly onto the huge terrace with fantastic views! We enter the hall through a reinforced door and have a simple but functional, fully equipped and independent kitchen. Then you enter the living room with three huge windows with glass from top to bottom. Dual glass and air-conditioned. In the hallway you will find a bedroom with a large window to the terrace and a full bathroom with a window. At the end you will find another en-suite bedroom overlooking the terrace through a huge window ...
