

The image shows the exterior of a modern building with a dark, textured facade. On the left, there is a large glass window. Next to it is a narrow vertical glass window. To the right of that is an open doorway leading to a brightly lit interior space with light-colored walls and flooring. Further right is another open doorway, also leading to a bright interior space. To the right of this second doorway is a small, dark-framed glass window. To the right of that is a large glass window with a silver handle, showing a person inside. Above this large window is a small sign that reads "5B Local". The ground in front of the building is paved with red and grey tiles.
