■■■■ IN BEL AIR

Spacious family townhouse with endless potential in Bel Air! Discover this exceptional family townhouse in a sought-after urbanization on the New Golden Mile of Estepona. Offering ample space across three main levels plus a naturally lit basement, this property is perfect for families seeking versatility. The basement is ideal as a playroom or can be transformed into a separate apartment, adding to its appeal. Outdoor Living: The property boasts large front and back gardens adorned with a variety of fruit trees, creating a serene environment. A covered terrace connects the living spaces to the gardens, which lead directly to the complex's two swimming pool areas. An outdoor kitchen in the front patio-garden enhances the al fresco lifestyle, while the south-east and west orientation ensures you can enjoy both sun and shade throughout the day.
