■■■■■ IN MIJAS COSTA

A unique award-winning architect designed villa in a great location in Cerros del Águila. This a wonderful property full of designer details, in one of the quietest areas of the Costa del Sol, with total privacy, wonderful views and built to the highest standard. Very close to all services (less than 5 minutes by car from shopping centres and beaches) and located in an idyllic setting protected from any future urban development. On entering this impressive villa you are struck by the fabulous entrance hall with very high ceilings and crowned with a beautiful dome from which hangs a feature chandelier. From there you access two beautiful bedrooms with private bathrooms. Passing the guest bathroom (an unusual conversation piece) you are presented with a very large designer kitchen with pantry and connected to the fabulous living room with a terrace open to the beautiful garden where we f...
