The upper floor, which is the entrance to the home, contains a living-dining room, open-plan kitchen, fully fitted and a guest toilet. From the living room, there is access to a large terrace of over 8 meters, with panoramic views of the sea and the mountains. It faces southwest. From this floor, a staircase leads down to the lower floor, which consists of three bedrooms and two bathrooms, one en suite; one has a shower and the other a bathtub. All three bedrooms open onto the garden, which measures over 190 m². From the master bedroom, you can partially see the sea. The other semi-detached house next door is also available for sale for €650,000. Buying both would create a brand new detached villa with sea views and the possibility of building a pool. It has large outdoor parking spaces ...
