■■■■ IN FUENGIROLA

Stunning semi-detached house in Torreblanca, Fuengirola built in 2019. It combines modern design and comfort in a privileged setting within a quiet, gated complex of only 15 homes, with all the necessary amenities within a short distance. It is close to shopping areas, schools, a port, and golf courses, and Torreblanca beach is a 20-minute walk away. Situated in an elevated position, it offers spectacular views of the sea and the beautiful mountains of Mijas as a stunning backdrop, with a northwest orientation that provides excellent light with the afternoon sun. Entering the house from street level, you will find a fully furnished and equipped kitchen, a living-dining room, a guest toilet, and a large terrace with sweeping sea and mountain views. Up to the first floor, you will find a large attic bedroom with access to two good-sized terraces and a spacious bathroom. Going down to th...
