Introducing a rare opportunity to purchase a spacious four-bedroom penthouse in the sought-after community of Aldea Blanca, offering spectacular sea views and an unbeatable location. Aldea Blanca is one of Nueva Andalucía's most desirable residential complexes, situated just steps from Centro Plaza, close to all amenities, and within walking distance of Puerto Banús and the beaches. The property is reached via a short flight of stairs and opens into a beautifully renovated kitchen on one side and an inviting dining and living area on the other. The living room extends out to two separate terraces, one designed as a comfortable lounge and the other as an outdoor dining space with a built-in BBQ, both enjoying breathtaking panoramic sea views. The entrance level also features two spacious bedrooms sharing a bathroom, while the upper floor offers two additional bedrooms with access ...
